Information on how to get to the Venues of the Milano Cortina 2026 Olympic Games

Dear Sir or Madam,

The Milano Cortina 2026 Olympic Games will take place from **06 February to 22 February 2026**. Below you will find all essential information on how to reach the venues in South Tyrol (Antholz/Anterselva) as well as the surrounding regions (Cortina d'Ampezzo, Val di Fiemme and Livigno).

Please note that short-notice changes are possible. All information is therefore provided **without guarantee**.

Complete and continuously updated information on all venues can be found on the official website of the Games:

<https://www.olympics.com/en/milano-cortina-2026/spectators/overview>

The **Guest Pass Portal** guestpass.suedtirol.info and the text in the email used to send the Südtirol Guest Pass have been updated with the most important travel information for the Olympic Games.

The **Südtirol Guest Pass** is **valid on all südtirolmobil** routes during the games. Some shuttle services to competition venues outside South Tyrol require an additional fee.

Timetable for the public transport and shuttles in South Tyrol can be found in the **südtirolmobil app** or on suedtirolmobil.info.

Tickets for the competitions can only be purchased via the official website:

tickets.milanocortina2026.org
